# Bridging with Eastern Europe

---

# Elements

---

- EPFL motor for economic development in Western Switzerland
- Excellent research first – innovation will follow
- European deeply rooted in their home country
- Excellent European researchers outside of Europe
- Enough buildings –more brains
- Senior expats and young talents
- Recruitment through Tenure Track

The greatest danger for most of us is not that our aim is too high and we miss it, but that it is too low and we reach it.

**Michelangelo**
