

## 2020 European Learning & Teaching Forum

Balancing tradition and change

Hosted by Utrecht University, the Netherlands

13 - 14 February 2020

### Good to know

#### **Currency**

Please remember to have Euros available if you are paying cash. Changing currency is possible at the airport, although this will probably be more expensive than using the ATMs (cash points) available at the airport and in Utrecht. Please be aware that not all shops and restaurants accept credit cards (although larger ones often do).

#### **Language**

The official language of the Forum is English. No simultaneous translation will be provided.

#### **Weather**

Temperatures in Utrecht in February can vary greatly, averaging anywhere between -2 and 10 degrees Celsius. Please check the [weather forecast](#) online before departure.

#### **Emergency telephone numbers**

Please dial 112 for any emergency.

#### **Twitter**

If you would like to tweet about the event or follow the discussions on Twitter, use the hashtag [#EUALearnTeach](#).

### **Photography**

Please note that photos will be taken during the event and may be used by the organisers and host for publications and websites. Should you be opposed to your picture being used in this way, please contact the photographer or the organisers onsite.

### **Voltage**

Electricity in the Netherlands is supplied at a 230 Volts 50 Hz system. The Netherlands use the Europlug (CEE 7/16), which is used in most other European countries. Visitors from the following European countries will have to use an adapter: Italy, United Kingdom, Ireland, Cyprus, Malta, Switzerland, Liechtenstein, Denmark.

### **Visa requirements**

EU citizens do not need a visa and can travel into the Netherlands on either a passport or an ID card. Non-EU citizens are advised to check the requirements on the [government website](#).

### **Official tourism websites**
