

# “Spotlight on recognition” Welcome

# Improved recognition **A self-assessment tool**

Developed in the context of the “Spotlight on recognition” project

April 2022

## Webinar

---

- Improving recognition through self-assessment: the “Spotlight on recognition” tool
- 2 June, 14.00-15.15 CEST
- Registrations open: <https://bit.ly/3KX1tBK>

## “Spotlight on recognition” in a nutshell

- **Aim:** to enhance capacities in terms of recognition procedures in compliance with the [Lisbon Recognition Convention](#), where most recognition decisions in the EHEA are taken → HEIs (instead of ENIC-NARICs or governments)
- **Target group:** staff at higher education institutions who are responsible for recognition processes and decisions (e.g., admissions officers)
- Erasmus+
- July 2020-June 2022
- Project consortium: EUA, Crue, HRK, Nuffic

## Rationale

---

Lack of awareness of legal framework and good practice despite abundance of available tools, frameworks, documents and networks

Provision of clear information to and training of staff responsible for academic recognition is needed

## Engagement opportunities

- **Academic Recognition Hub:** Online space gathering resources on academic recognition: [www.academicrecognition.eu](http://www.academicrecognition.eu)
- **STREAM online training platform:** Several modules equipping recognition practitioners with substantial, practical knowledge about good practice in recognition; hosted by Nuffic
  - Accessible via the Academic Recognition Hub
- **Webinar** “Improving recognition through self-assessment: the ‘Spotlight on recognition’ tool” on 2 June, 14.00-15.15 CEST: <https://bit.ly/3KX1tBK>

Spotlight on recognition  
Conference  
Katia Dreyer

- Response to massification of HE and increased mobility
- Replaced 5 different Conventions
- Created a common legal area
- The only joint CoE/UNESCO Convention
- It is the only legally binding instrument within the EHEA
- Lisbon Recognition Convention Committee and the ENIC and NARIC networks are supporting its implementation
- Monitoring of the LRC

# **Lisbon Recognition Convention implementation: room for improvement?**

National legislation provisions mostly in place

ENIC and NARIC Centres – well-functioning networks, but there are differences between countries across the EHEA

The role of Higher Education institutions in applying the Convention

Co-operation between the recognition centres and HEIs needs to be further enhanced

# Streamlining practices

Improved information provision

The triangle between QA, QF and Recognition

Automatic recognition

Digitalization

Recognition of refugee qualifications - EQPR
