- Swift action to support Ukrainian researchers
  - **10 May** Amended Horizon Europe work programme published
  - **08 June** Invitation to submit sent to consortium (“identified beneficiary action”)
  - **21 June** Deadline for proposal submission
  - **25 June** Evaluation completed
  - **2 August** Signature of grant agreement
  - **1 July** Start of project (retroactive)

# MSCA4Ukraine Fellowships

- Grant amount: € 25 million
- Duration: 48 months
- Project is implemented by the Research Executive Agency (REA) in close collaboration with DG EAC regarding policy aspects
- EC provides funding to the MSCA4Ukraine consortium, which in turn provides funding to institutions hosting doctoral or postdoctoral researchers
- Consortium runs the MSCA4Ukraine project (dissemination, evaluation, selection, administration, etc.) and regularly reports to the EC (REA)
