

MSCA4Ukraine

- Part of the EU's response to the war in Ukraine
- Support displaced **researchers from Ukraine**, and enable them to **continue their research activities**;
- Possibility for supported researchers to **re-establish** themselves **in Ukraine**
- Strengthened **integration** between the **EU and Ukrainian** research and innovation communities.

- Aligned with the general **objectives and principles** of the **MSCA** :
 - open to all domains of research and innovation
 - attractive working conditions
 - promoting scientific excellence, skills and career development
 - fostering open science, innovation and entrepreneurship
