

JOINT LEARNING AND TEACHING ACTIVITIES

SOME INITIAL THOUGHTS AND LESSONS LEARNT IN CIRCLE U.

- KEVIN GUILAUME, SECRETARY GENERAL

2023 EUROPEAN L&TFORUM BILBAO – 2-3 FEBRUARY 2023

A SHARED DEDICATION TO THE ALLIANCE

WHO ARE WE?

Not a project, a transformational cooperation

Interdisciplinary, inclusive and sustainable alliance

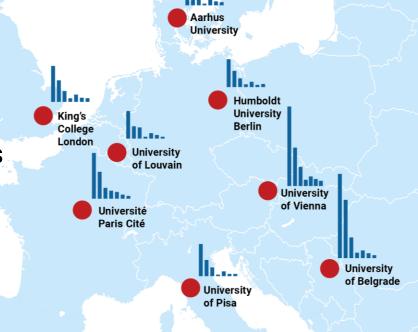

Stronger together, unity in diversity

"Likeminded" universities

- World, European, national and regional flagships
- Comprehensive and research-intensive

Universities with values

- Among the first universities in Europe
- Academic freedom and integrity
- Inclusion and diversity

A STRONG VISION AND A JOINT ECOSYSTEM TO MAKE IT HAPPEN

OUR VISION AND OUR MISSION

An interdisciplinary, inclusive and sustainable

European university with a focus on

climate, democracy and global health

Sustainable and inclusive mobility

Inclusive interuniversity campus

Education, research, innovation and service to society fully integrated

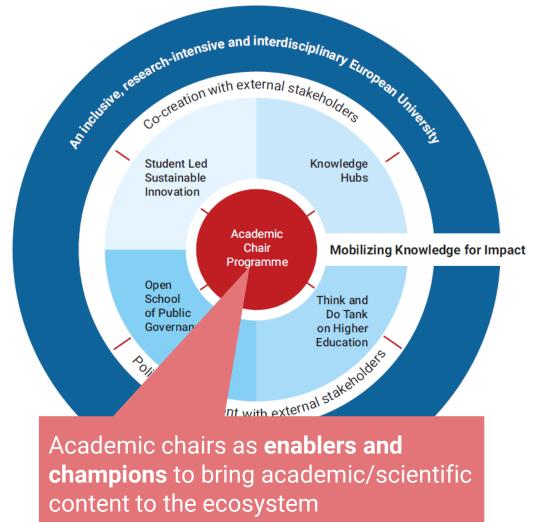

Keep Europe and the world healthy, peaceful, democratic and prosperous

OUR ECOSYSTEM

4 PLATFORMS TO MOBILIZE KNOWLEDGE FOR IMPACT

- Knowledge Hubs as virtual and physical spaces for co-creation between academics, researcher, students, stakeholders on three themes – climate, democracy and global health
- Think and Do Tank as laboratory of reflection, "self-transformation" and active contribution to policy developments on learning innovation
- Open School of Public Governance as longterm framework for coupling societal problemsolving and research-based learning opportunities
- Student Led Sustainable innovation as opportunity for students to engage in sustainable innovation with the "outside world"

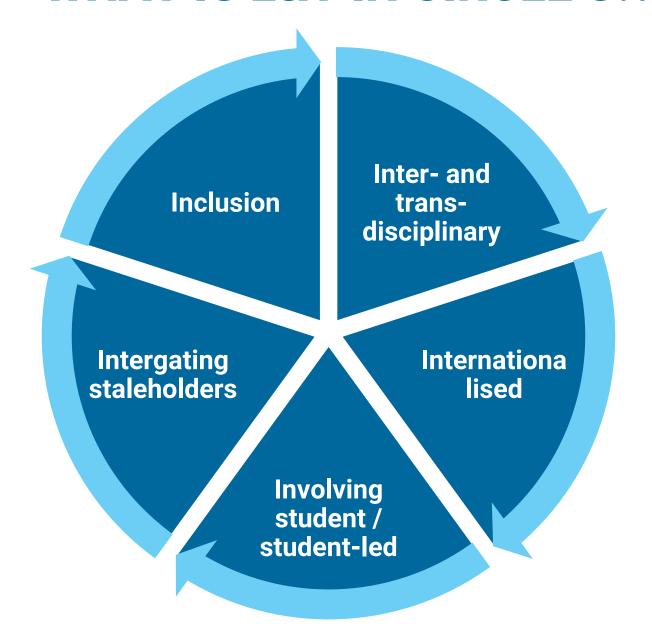

WHY JOINT L&T IN CIRCLE U.?

- Societal challenges of today and tomorrow are too big and pressing
- We aim to empower students, staff and other learners to mobilize their knowledge into transformative actions for society

WHAT IS L&T IN CIRCLE U.?

- Circle U. L&T is what we are, what we do and what we aim at
- So, no revolution but taking the best of all to provide outstanding learning and teaching
- Based on a mapping by the Think and Do Tank, T&L is oriented towards the « 5 i's »
 - And research-based as a "precondition"

SOME EXAMPLES

A FLAGSHIP INITIATIVE: CIRCLE U. CHALLENGE

- "CU Challenge" is a programme model for cross-disciplinary international teams of students working with "real life" challenges presented by our associated partners
- Main objective: to develop entrepreneurial skills and new approaches to problem-solving
- Associated partner is expected to be

The **challenger**

The **supporter**

The **decision-maker**

ACHIEVEMENTS, KEY "ENABLERS"

- Trust, trust to facilitate cooperation at all levels
- Shared ecosystem to focus and to support
- Academic chairs to foster bottom-up initiatives
- Diversity and quality of the existing initiatives to make even better
- Student and partners engagement to maximise the relevance and to increase the impact

CHALLENGES, AS OPPORTUNITIES

- How to better engage with associated partners? Where is the "carrot"?
- How to embed those joint T&L activities in each university?
- How to give time to time?
- How to go beyond the project dynamic?
- How to avoid the tick-box exercise?
