

"Spotlight on recognition" focus group II: The potential of digitally facilitated recognition procedures

29-30 NOVEMBER 2021, ONLINE

Draft programme

29 November

14.00-14.15 Welcome and introductions

14.15-15.00 Presentations on recent work on the topic of digitally facilitated recognition procedures, incl. Q&A

- Tilman Dörr, MODUS Project Coordinator, German Rectors' Conference (HRK): Digitalization of recognition processes in Germany
- Bas Wegewijs, Team Leader International Recognition, Nuffic: Findings from the DigiRec and DigiNet projects

15.00-16.00 Discussion based on preparatory task and end of first day

Participants will be invited to discuss recent progress in the digitalisation of recognition procedures and share to which degree their own institution is ready to make a permanent move towards digitally facilitated recognition procedures.

30 November

09.00-09.20 Presentation of "Spotlight on recognition" self-assessment methodology and introduction to breakout groups

During this agenda item, participants also have an opportunity to ask more general questions about the methodology, before breaking up into smaller groups and discussing the questionnaire in detail.

09.20-11.00 Discussion in breakout groups

11.00-11.15 Break

11.15-11.30 Reporting back from the breakout groups

Volunteering participants will be asked to briefly summarise the feedback on the self-assessment methodology provided in the breakout groups.

11.30-12.00 Common discussion of outcomes and conclusions

The event will be facilitated by members of the “Spotlight on recognition” project consortium:

- María Blanco-Palencia, Head of International Engagement, Spanish Rectors’ Conference (Crue)
- Helene Peterbauer, Policy Analyst, European University Association (EUA)
- Christian Tauch, Deputy Secretary-General, German Rectors’ Conference (HRK)
- Bas Wegewijs, Team Leader International Recognition, Nuffic
