Introducing EUA-CDE

- **Membership service** of the European University Association (EUA), founded in 2008
- **The largest** European Doctoral Education Network bringing together 289 European universities and rectors conferences from 39 European countries and representing doctoral education in Europe
- **Steered** by a Steering Committee comprising of 10 doctoral education leaders from 9 European countries (chair Prof. Aleksandra Kanjuc-Mrcela, University of Ljubljana)
- **Promotes** cooperation and exchange of good practices on issues of common interest and **drives** doctoral education policies
- **Identifies** and monitors the trends in doctoral education
- **Organises** regularly events, addressing fundamental and emerging topics of doctoral education and publishes surveys and policy papers
- Serves as **the voice of doctoral education in Europe**

JUN. 03 EUA-CDE news

Call for participation: 2025 EUA-CDE Thematic Peer Group on 'Doctoral schools: building bridges beyond academia'

Thematic Peer Groups (TPGs) organised by the EUA Council for Doctoral Education (EUA-CDE) provide participating member universities with opportunities for mutual learning on selected topics. They contribute to a common knowledge base on doctoral education structures, policies and practices in Europe. In recent years, collaborations between universities and non-academic sectors has gained

New EUA-CDE report - Postdoctoral researchers at European universities: profiles, roles and institutional support structures

EUA-CDE has published a new report on the findings of the 2023 Thematic Peer Group on "Profiles and institutional support for postdoctoral researchers". The report outlines the conclusions of the third EUA-CDE Thematic Peer Group. With findings gathered from 28 universities in 16 European countries, this publication reflects the group's discussions concerning the current state of play and the
